Their tale of love and romance on the way to stardom had captivated millions, and now is a full-scale, Broadway-style musical fantasy. His name was Rico – He wore a diamond – He was escorted to his chair, He saw Lola dancing there... whisks her away to a distant new world. Tony, under the guise of a pirate, swings into action to rescue his sweetheart. Much to Rico's disdain, a fierce battle ensues. Rico, armed with a revolver, attempts to eliminate Tony permanently! Original songs created by Barry Manilow, dazzling costumes, spectacular sets and sensational choreography all add up to an evening of entertainment that will leave you breathless."
